Dear Family

I am writing to encourage you all in very difficult circumstances. It is not an easy thing to have family forcibly taken away from you and in this regard I would like you to know that I care for your physical, mental and spiritual welfare during this time.

Please know that you are not alone. There are people all over the world that are aware of your situation who are desiring an outcome that will bring your loved one back into your home.

My sincere thoughts and prayers are with you as you face this ordeal and await a favourable outcome.

Yours sincerely
